Finding Love, Joy and Peace on this Journey

Grace...

*After all that we can do
(Ether 12:27)*

"And if men come unto me, I will show unto them their weaknesses, I give unto men weakness that they may be humble; and my grace is sufficient for all men that humble themselves before me..."

October 11, 2008

Keynote Speaker

Lloyd Newell, Ph.D. - BYU faculty

*Announcer and writer of Mormon Tabernacle Choirs' broadcast "Music and The Spoken Word"
Author - Come, Listen to a Prophet's Voice, The Healer's Art, Let Him Ask of God (newest best-seller) and more*

Special Guests

Sherrie Chretien - Singer, composer

After an 18-year marriage ended, Sherrie found herself a single mother of six children. After much soul searching, she not only found her "purpose" but she found a spouse. Sherrie will share the incredible spiritual experiences encountered when composing music for the Sacramento Temple Celebration. And, she will perform a new song that she has just written for us!

Robina Swerwanga - Humanitarian, recent convert

After escaping from the upheaval of Idi Amin's dictatorship in Uganda, she moved to the U.S. Shortly thereafter, she became single, raising her seven children while working as a housekeeper. Two of her sons have played in the NFL and her last son just received a full scholarship and will play football for Princeton. Because Robina has a soft place in her heart for the village she left behind, her humanitarian efforts continue today across the continents.
